his community, and each

not equaled by any other the leader, who has won the ration of people wherever he played. And his soloists are the rousing welco

his players, which he does who has ever heard his s of artists play "El Capitan" will forget it. And he has a new "Comrades of Legion.

How Much is Your Time Worth?

VOU can actually save from one to two hours' time every day with a "Y and E" Efficiency Desk, Keeps all your often-referred-to papers and records at finger tipe—no in-terruptions caused by going or sending to distant filing cabinets. Let us show you a desk just right for your work, equipper

CARLSON **₩** ROTHERS

Some time afterwards, speaking of this to friends, Caytain Moffett said:

"I told the enrolling officer that Sousa was 47. I made a mistake, He's been with us for three months since then and now he's only 25."

That was when Sousa was training those marvelous band battallons of 350 pieces, the music of which fired patriotism everywhere in the United States, Canada, Eng-

ntities City to a Build-ing of its Own.

Agitation for a Shrine temple in Rock Island has been started by various members of the Masonic order in Rock Island and vicinity. Plans are new in the formation stage, the preliminaries having already been taken up with the officers of the imperial council. It is pointed out, that with the large increase in population in the last 10 years the time is ripe for such a venture. Members of the Mystic Shrine from this section are compelled to travel to Peoria or Rockford to take de-

Shripers reside within a radius of 50 miles of Rock Island who would because affiliated with the local body if the dispensation is granted. The necessary steps will be taken as soon as word is received from the imperial potentate as to the method of procedure.
